OSINT

PIRATES OF MEMORIAL

CHALLENGE DESCRIPTION :

The original photographer of this picture commented the flag on his post. Find the flag.

So I basically search the image on Google images. I found a twitter post where their was discussion that who is the original photographer .

So I search the photograoher name on Instagram and got the original [photo](#), and the flag was in comment section .

FLYONG PLACES

CHALLENGE DESCRIPTION :

A reporter wanted to know where this flight is headed. Where does he (the reporter) live?

So the same process I search the image and found that Alibaba co-founder Jack Ma has sent the first shipment of surgical masks and coronavirus test kits to the US. So serached the twitter of Jack Ma and found this :

Tweet

Jack Ma @JackMa · Mar 16

The first shipment of masks and coronavirus test kits to the US is taking off from Shanghai. All the best to our friends in America. 🙏

15.8K 95.9K 477.4K

Sergio Quintana @svqjournalist · Mar 16

Where are these supplies headed in the US? I'm a reporter in San Francisco. If they're headed here, I'd love to see the flights land if possible.

SHAKEN

CHALLENGE DESCRIPTION :

I love this watch. It's been with me all over the world, from Istanbul to Shanghai to Macau.I wear it with suits quite a lot. M

After reading the challenge description how the heck one can find watch wearing by dead person. It was quietly guessey like being an 007 fan I cracked it it was just talking about James Bond movie (a little research will also lead you to flag). I just search successor of M in James Bond movie I got [this](#).
