Rocket Raccoon (Category: OSINT)

The challenge is the following.

Challenge140 Solves

Rocket Raccoon286

Who is 'raccoonn' exactly? Intel has that their owner has leaked some private information.

This channel doesn't have any content

However, there are no videos. So I assumed that I will have to use the username JohnsonM3llisa for further investigation. I went to InstantUsername again, and looked that username up.

I'm so glad I have my baby with me everytime <3

This tweet caught my eye, and I immediately assumed that I was supposed to use the Wayback Machine to look at the deleted Tweets. So I went ahead and searched their Twitter account on the Wayback Machine, and saw that there were snapshots on March 15, 2022.
