Submit

For this challenge, we are given an image, test.jpg, and we are asked to find what county the factory is located in.

Doing a reverse image search leads us to a website with info about historic sites in Pennsylvania.

Link: <https://pahistoricpreservation.com/2017-pennsylvania-risk-announced/>

Result: Scrolling down to the image, we find out that it is the Kiddie Kloes Factory located in West Bertsch Street, Lansford Borough, Carbon County.

Flag: riftCTF{Carbon_County}
